Dr. Jay Harris, Executive Director of The Galilean Institute in Stamford CT, will be conducting a “hands-on” session on the “how-to’s” of ministering to the Corporate Body. It is open to those either who have attended a Life in the Spirit Seminar or who have experienced the Baptism of Fire in the Holy Spirit and desire to be involved in personal ministering. Those wishing to learn more are also invited to participate.

Then, Dr. Jay, Senior Minister of Branches Ministries (John 15:5), will lead a team in a healing service utilizing the biblical practice of laying-on of hands and anointing with oil under the anointing of the Holy Spirit. Those needing healing (physical or emotional) are encouraged to come or bring someone who does.
